Impact

1. Your service will provide Advent with a functional, clean and safe campus for worship and events.
2. Without being seen, your service will show the congregation that the campus is being cared for so that they can focus on Advent's primary mission.
3. Your service will create a camaraderie with other members as you work together in small groups that will keep members connected in community through shared labor.

Time frame

Your service lasts for a term of one calendar year, from January 1, 202x to December 31, 202x. Service hours vary, depending on the amount of repairs and projects needed, usually less than 8 hours per month. Terms may be renewed upon agreement between Property team coordinator and volunteer.

Testimonials

(From Tom LaRose, team member *—2018/2019) I have become good friends with the rest of the property team doing both small and large projects at Advent over the last 2+ years. I didn't know many people when I moved to Denver from out of state and this was a good way to use my abilities and meet some like-minded people.*
